

Photography Notification/Authorization

The Daniel Boone Homestead Associates request notification for professional photography sessions on the Daniel Boone Homestead property in order to avoid scheduling conflicts and disruption of tours. Photography sessions during special events are prohibited.

No photography sessions are permitted inside any of the historic structures, the yard of the Boone House or the historic areas unless special permission is granted by the Museum staff or Daniel Boone Homestead Associates president.

One week's notice of photo shoots is requested, and a fee of \$30 is required for all professional photography photo sessions.
